

The California Arts Project

NCAP's Beat the Heat: 3D **Hot August Art Studio**

Non-Art and Art teachers, learn or refresh 3D art skills by spending two summer days with your artist-teacher self, your peers and NCAP (The Northern California Arts Project).

This program will emphasize ceramic art with Michael Murphy, ceramicist at CSU Chico. Create classroom action plans and reconnect in the fall to share!

\$100 includes materials and light refreshments.

Please make checks payable to "CSUC Research Foundation."
