

TEACHING THE ARTS: Exploring the Uncommon in Common Core for K - 12 Arts Educators and Arts Administrators

As we implement the California Common Core State Standards, arts education offers unique opportunities for project based learning and developing 21st Century skills. Arts education will have an enhanced role in teaching and learning!

- Join colleagues from around Southern California to discover the Common Core link to arts education.
- Engage in discipline specific break-out sessions.
- Leave with an understanding of the California Common Core Literacy Standards and how they support the arts in your classroom.
